

## Outdoor Specialist in Street & Solar LED Lighting

### ABOUT US

Based in South Australia with an established representation covering the Eastern Seaboard. Pecan Lighting, has been a prominent player in the industry since its inception in the early 1980s. We design and manufacture outdoor lighting solutions tailored to the needs of councils, urban developers, and more. Our extensive experience ensures long-lasting, low-maintenance products.

### TAILORED LIGHTING SOLUTIONS FOR EVERY PROJECT

Flexible Lighting Options: Choose solar or mains LED solutions designed for top-notch performance and efficiency with the NXT Series, Louis Poulsen, Dark Licht, Bollards or Solar.

Diverse Applications: Illuminate roads, mines, railways, jetties, correctional facilities, pathways, laneways, bikeways, parks, or any unique project.

#### Why Us:

- Proven Track Record: Successful projects across sectors.
- Compliance: Products meet industry standards.
- Customer Support: Long-term commitment.
- Customization: Tailor designs to your project's specifications.
- Quality Assurance: High standards for durability.
- Sustainability: Energy-efficient solar and LED options.
- Expertise: Industry-specific knowledge
